

# SUCTION KIT

## FLOATING SUCTION FILTER SETS FOR SUBMERSIBLE PUMPS

### Floating suction filter with fine filter (SAFF), without non-return valve

For a maximum protection of your pump.  
 Filter housing and mesh in Stainless Steel.  
 Fine filter mesh size 0,3 mm.  
 Highly flexible suction hose, length 1 m  
 Float in polyethylene Ø 15 cm  
 1" version with suction hose with integral metal spiral, for higher-performance pumps.

Code	Description
SS9935	SAFF connection 1", nozzle 1" and high-flexibility hose 1"
SS9932	SAFF connection 1" 1/4, nozzle 1" 1/4 and high-flexibility hose 1"1/4

Fine filter, mesh size 0,3 mm

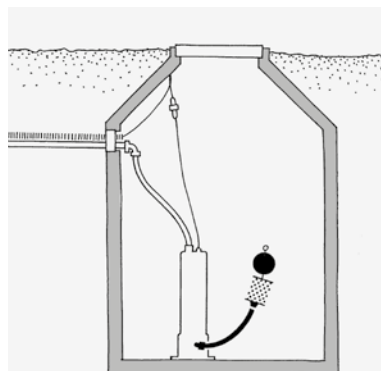

### Floating suction filter with coarse filter (SAGF), without non-return valve

For a maximum protection of your pump.  
 Filter housing and mesh in Stainless Steel.  
 Coarse filter mesh size 1,2 mm.  
 Highly flexible suction hose, length 1 m  
 Float in polyethylene Ø 15 cm  
 1" version with suction hose with integral metal spiral, for higher-performance pumps.

Code	Description
SS9905	SAGF connection 1", nozzle 1" and high-flexibility hose 1"
SS9902	SAGF connection 1" 1/4, nozzle 1" 1/4 and high-flexibility hose 1"1/4

Coarse filter, mesh size 1,2 mm

## FLOATING SUCTION FILTER SETS FOR EXTERNAL PUMPS

### Floating suction filter with fine filter (SAFF), with non-return valve

For a maximum protection of your pump.  
Filter housing and mesh in Stainless Steel.  
Fine filter mesh size 0,3 mm, with non-return valve  
Float is in polyethylene

Connection set for suction pumps consisting of

- SAFF filter 1" with non-return valve
- Float in polyethylene Ø 15 cm
- Highly flexible suction hose attached by stainless steel hose clamps
- 90° PE elbow connector to PE pipe 32 x 3 mm (1")

Code	Description
SZ9801	SAFF connection 1", non-return valve, suction hose 2 m
SZ9802	SAFF connection 1", non-return valve, suction hose 3 m

Fine filter, mesh size 0,3 mm

### Floating suction filter with coarse filter (SAGF), with non-return valve

For a maximum protection of your pump.  
Filter housing and mesh in Stainless Steel.  
Fine filter mesh size 1,2 mm, with non-return valve  
Float is in polyethylene

Connection set for suction pumps consisting of

- SAGF filter 1" with non-return valve
- Float in polyethylene Ø 15 cm
- Highly flexible suction hose attached by stainless steel hose clamps
- 90° PE elbow connector to PE pipe 32 x 3 mm (1")

Code	Description
SZ9811	SAGF connection 1", non-return valve, suction hose 2 m
SZ9812	SAGF connection 1", non-return valve, suction hose 3 m

Coarse filter, mesh size 1,2 mm
